UN Women Globally

• coordinates and promotes the UN system’s work in advancing gender equality, and in all deliberations and agreements linked to the 2030 Agenda.

• works globally to make the vision of the Sustainable Development Goals (SDGs) a reality for women and girls and stands behind women’s equal participation in all aspects of life.

A comprehensive set of global norms and standards on gender equality and women’s empowerment is strengthened and implemented.
Objective:

→ Identify and map the needs of Syrian women and girls in Turkey to inform policy and programming

Assessment attempts to:

→ Amplify the voice of the Syrian women and girls in Turkey,
→ Express their lived experiences and perceptions about the challenges
→ Understand and appreciate how in many different ways women are creating and living with changing gender roles and establishing themselves as active actors.
