SPOT IS OUR HORIZON SCANNING APPROACH.

WE ARE BUILDING A GLOBAL TEAM WHILE ALSO TAPPING INTO EXISTING NETWORKS TO SPOT TRENDS AND EMERGING ISSUES. HORIZON SCANNING IS BOTH A FORM OF HYGIENE (WHAT WE MUST DO TO SURVIVE) AND A PROCESS FOR ORGANIZATIONAL LEARNING (WHAT WE MUST DO TO THRIVE). SPOT CHALLENGES US TO EMPLOY BOTH FORESIGHT AND HINDSIGHT AS ESSENTIAL PRACTICES IN MAPPING OUR PROGRESS AND PREFERRED PATHWAYS FORWARD. SPOT IS ONE OF THE CORE ACTIVITIES OF THE SOLFERINO ACADEMY: https://media.ifrc.org/innovation/future-and-foresight/.
