Community Engagement and Accountability

What is it?

It is the process of and commitment to:

- Listen to and act on community needs and feedback.
- Provide information as aid.
- Support communities to speak out.
- Support behavioural and social change communication.

Why do it?

Helps to put communities at the centre of what we do.

What are the outcomes?

More resilient communities

- Stronger accountability to communities
- Sustainable and community driven programmes
- Improved acceptance and trust
- More knowledgeable, skilled and connected communities
